Hi Nate,

By way of this e-mail, I'm forwarding your request to Hector Banuelos of our Urban Forestry Division, who has direct oversight of our landsape maintenance contracts including Tru-Green's. I'm hopeful that he can provide you with the requested information about their maintenance schedule.

Lance,

Can you send me Tru-Green's maintenance schedule for these medians so I can forward it to the BID?

Our office had a nice meeting with Bill Robertson today about BOSS current status, and of course median maintenance came up.

Thanks,
Nate
